

MYANMAR: FSC SO1 – Food Assistance to IDPs

Jan to Dec 2022

**This map is based on data available at Township level. Information visualized on this map is based on data collected from 79 of partners which shared the 5Ws reports only under humanitarian programme.*

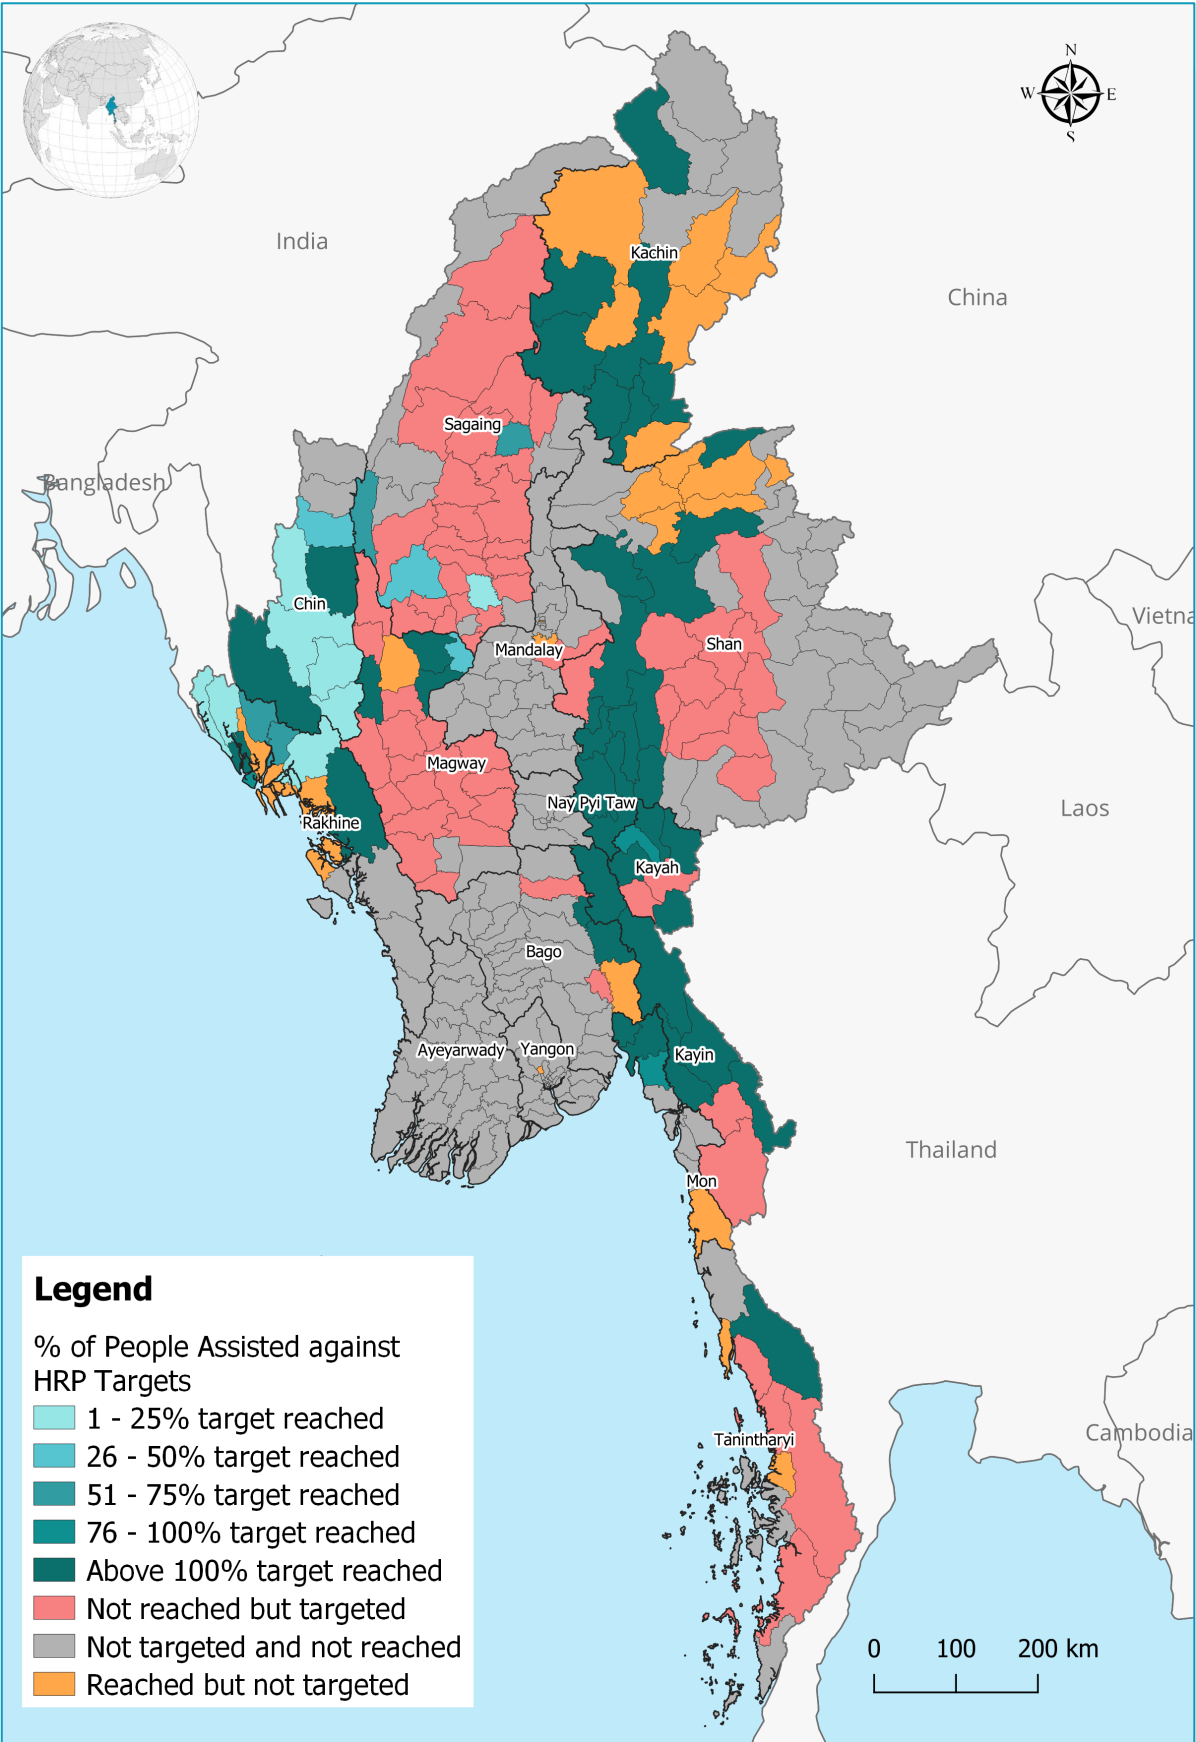

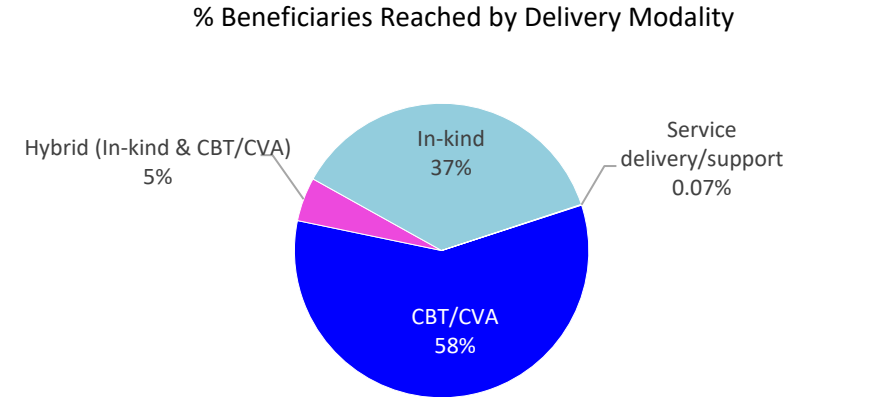

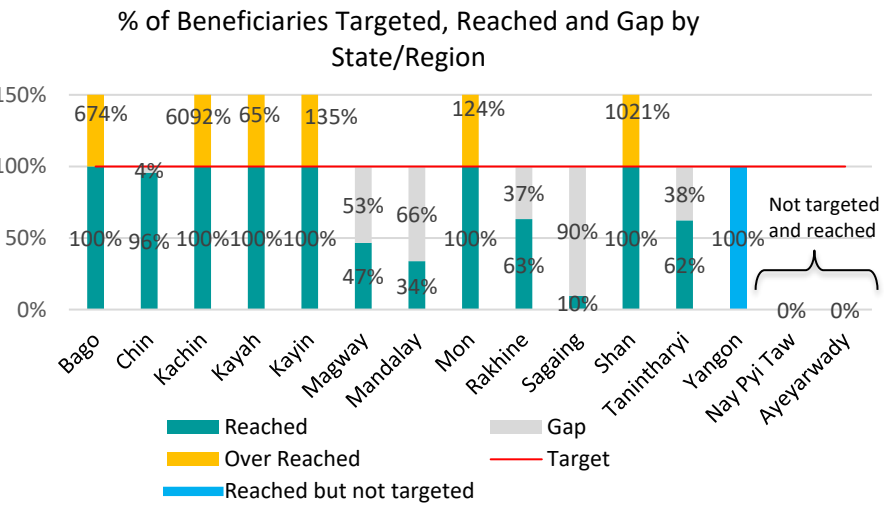

Highlights

- Overall, a total of 83 townships (68%) were reached across 12 states/regions out of total 122 townships targeted in 12 states/regions under SO1 as of HRP 2022.
- FSC reached beyond 130.6% of SO1 targeted IDPs in 41 townships. Meanwhile, partners accessed to some of hard-to-reach areas of conflict affected townships in Sagaing, Magway, Chin and Shan (South).
- However, a larger gap remained in the 2 most worrying regions of North-West Myanmar (Sagaing and Magway) at Q4. Efforts are still to me made to reach IDPs in those 2 regions.
- 55% of IDPs reached under SO1 are recently displaced in Kayah, Kayin, Chin, Mon, Shan (South) States, Bago (East), Mandalay, Magway, Sagaing and Tanintharyi since coup. The rest are in a protracted displacement situation.
- As of UNHCR estimation by 26 Dec 2022, more than 1.5 million people remain displaced across the country due to insecurity and violence.
